

WSH COMMITTEES COURSE

Course Overview

The role and function of the WSH Committees is critical to drive the performance of the organization towards WSH excellence. It is paramount that individual members possess the necessary competencies to carry out their duties and responsibilities effectively, and be able to work as a team to achieve common WSH objectives.

This course will equip learners with the skills and knowledge required to perform and discharge their responsibilities as safety committee members, and is designed to meet the competency requirements as mandated under the WSH (Workplace Safety and Health Committees) Regulations 2008.

Learning Objectives

By the end of this course, the delegates will be able to acquire the knowledge and skills to function effectively as a member of the Company's WSH Committee. The learning objectives are:-

- Perform and discharge their responsibilities as safety committee members
- Contribute effectively to the improvement of safety and health at the workplace
- Apply the WSH (Workplace Safety and Health Committees) Regulations
