

NEBOSH HSE Award in Managing Risks and Risk Assessment at Work

UPSKILL YOUR TEAMS TO CARRY OUT RISK ASSESSMENTS IN THE RIGHT WAY

Course Overview

The NEBOSH HSE Award in Managing Risk and Risk Assessment at Work is an introductory level qualification, developed in conjunction with the health and safety regulator for Great Britain, the Health and Safety Executive (HSE). It is structured around HSE's approach to controlling the risks caused by workplace hazards.

This qualification has been designed to assist staff or volunteers involved in managing workplace risks and who undertake the risk assessments, to confidently identify sensible and proportionate precautions to control the risks in the workplace.

Who should attend

Anyone involved in managing workplace health and safety risks including those who undertake risk assessments. The content will be particularly useful to employers, managers, supervisors, SHE champions and union and health and safety representatives.
